Please report to the first class 15 minutes early. The first class requires time for equipment checks and important instructions. You will need a 6 foot training leash with a loop at the end and either a buckle collar or soft nylon choker collar. If you are uncertain about your equipment, it may be better for you to wait and purchase appropriate equipment from the club this first evening. We sell the required equipment at reasonable prices and fit it on the dog.

Dogs must be kept under control and on leash at all times.

We recommend you do not feed your dog close to the time of the class. Allow your dog to “potty” before coming to class. If an accident occurs in the building, owners are required to clean up after their own dogs. Cleanup supplies are provided by the club. Bags and a trash can are available for outdoor cleanups.

The dog must be handled in all classes by the same person for the full six weeks. Due to insurance regulations and for safety, all handlers must wear sneakers or shoes with rubber soles. No high heels, sandals, leather soles, bare feet or foot gear determined by the instructor to be inappropriate will be permitted.

Well-behaved children are welcome to come watch the class provided they remain seated and quiet. Running or excessive noise that disrupts the class cannot be permitted.

The instructor may excuse or transfer into another class, any dog or handler unsuitable for kindergarten.

<p>A certificate from your vet is mandatory and must say that your puppy is in good health, is free of worms and parasites and has had all the puppy vaccinations appropriate for his/her age.</p>
